Connected learning.**Connected world.**™

2. Conference/Meeting name:

3. Conference/Meeting city, state, and country:

4. How many participants are at your table?

Warm-up: Question everything

Review the draft of the 2017 ISTE Standards for Teachers and then discuss as a group:
1. Can and should these standards serve educators beyond K12 classroom teachers? If so, should they be renamed ISTE Standards for Educators?
2. Is "standards" even the right term or should they be called competencies, framework, or something else?

Standards recommendations

Provide detailed feedback on your assigned standard. Switch to a new standard when your facilitator tells you to.
