

- Interactive Achievement - How to Link VA Standards to a BCPS Course

- On the Classroom Manager screen with your schedule, right click on a Course, and then click Edit.
- In the Edit Course Section window, click Edit Course Definition
- Find the specific standards you want in the pull down menu, click the triangle to move it to the right column, click Select, and then click the Edit button to finish the process.

Please note that the VA CTE group includes all non-core courses, such as CTE courses, Foreign Language, Music, PE, etc...
