**SUBJECT:**                      SUPERINTENDENT’S REPORT – PRESENTATIONS/ INFORMATION

School Health Advisory Board Update – Mrs. Shifflett

**BACKGROUND:**                      One of three SHAB goals for 2011-2012 is *to explore possible resources for providing food for students during non-school time.*

A possible community-schools partnership for 2012-2013 implementation will be presented. The project would provide nutritious snack foods for students for days that school is not in session.

This program would be similar to the “Snack Pack” program in Covington recently featured in the Virginian Review.

**SCHOOL HEALTH ADVISORY BOARD (SHAB)**  
**October 13, 2011 – 4:00 P.M.**  
**School Administration Building**

The School Health Advisory Board (SHAB) met Thursday, October 13, 2011.

During this meeting, goals for school year 2011-12 were set.

- Goal #1: Explore options for acquiring services of an ATC (Athletic Trainer Certified) for all athletic programs.
- Goal #2: Explore possible resources for providing food for students during non-school time.
- Goal #3: Promote more programs, information for students about drugs, alcohol use/abuse and consequences.

**CERTIFICATE** — God's Covering Inc. recently presented a plaque of appreciation to Hot Watts for their donation to God's Covering's ongoing Snack Pack program. According to God's Covering, 340 children are currently benefitting from the program monthly, and children received over 8,000 snacks in December. Upcoming fundraisers for the Snack Pack program include drawing for a quilt which will be held February 14, a barbeque sale in March, a Mother's Day celebration featuring the Announcers and Expressions scheduled for May, and the second annual Snack Pack golf tournament set for June. For more information, call 965-3582. Here receiving the plaque of appreciation, from left, are Hot Watts employees Sissy Persinger, Christy Ioannidis, Karen Baker and Norma Griffith.
