2012 VSBA School Law Conference

Your school division needs **you, your superintendent and your attorney** to be at the 2012 VSBA School Law Conference. Why? Because so many decisions you make have legal implications that will impact school divisions for years to come. Be informed and be prepared!

You will:

- Gain a better understanding of the Board's role in deciding to go to court
- Understand when and how to react to truancy and attendance issues
- Learn about reductions in force policies and issues
- Hear an update on General Assembly bills and how they effect your local division.

One of these topics could be your next big problem. Can you take the risk and not attend?
