SUBJECT: SUPERINTENDENT’S REPORT - ACTION

Consider MedEvac Land Owner Agreement

BACKGROUND: Andy Seabolt, the county Emergency Services Coordinator, is requesting that we formalize our agreement regarding MedEvac transfers that take place at Bath County High School from time to time. Other ‘landowners’ with landing sites are also being contacted. The high school football/soccer field is a good open location, with easy access. Chris Singleton has reviewed the agreement; this revised draft addresses initial concerns that he expressed regarding liability.

RECOMMENDATION: Recommend approval of this agreement.

Bath County Helicopter Landing Zone Landowner Agreement

I, Bath County Public Schools, am an owner of real property located in Bath County, Virginia at Bath County Parcel Number 63-24. I hereby grant permission to Bath County emergency services personnel to enter my property for the purpose of landing a helicopter for emergency medical transport. I understand that the aforementioned property will be insured under a liability policy by Bath County for property damage or personal injury due to accessing and operating a landing zone by Bath County emergency services personnel.

I am aware that this Agreement will continue from year to year unless I, as landowner, or any subsequent owner of all or any part of the property, notify the Bath County Emergency Services Coordinator of any revocation or modification of this Agreement.
