The Budget Control Act of 2011 will impose across-the-board cuts of 7.8 percent or more to education and other domestic programs through a process called sequestration (the cancellation of budgetary resources), unless Congress intervenes. Sequestration's budget cuts to programs including Title I and special education would mean increased class sizes and less access to programs for children with special needs, as well as summer school, college counselors, early childhood education and after-school programming. Join the webinar to learn more about recent developments surrounding sequestration and what you can do to urge Congress to amend the Budget Control Act to mitigate the drastic cuts

to education that would affect our students and communities.

The deadline to register for this webinar is October 2, 2012. **REGISTRATION FOR THE WEBINAR IS FINAL.**

Registration fees are \$125 per connection (unlimited number of participants per connection).

No refunds will be made except in the case of personal illness. Prior to October 2, refunds of one-half of the registration minus a \$50 processing fee may be made. All requests for refunds must be made to the VSBA President in writing signed by the Board Chair certifying a personal illness.
