RE: **VSBA Academy Awards**

Enclosed you will find the VSBA Academy Awards that your board members have earned as certified through the VSBA Academy Verification Form. All board members, superintendents, and clerks are automatically enrolled in the VSBA Academy and awards were issued for five different levels:

Recognition (15-23 credits/year)-*Certificate Only*
Achievement (24-47 credits/year)-*Certificate and Bronze Pin*
Excellence (48-65 credits/2 years)-*Certificate and Silver Pin*
Honor (66-83 credits/2 years)-*Certificate and Gold Pin*
Distinction (84+/2 years)-*Certificate and Starfish Pin*

The VSBA Board of Directors encourages participation in the Academy and recognizes individual board members interested in becoming further educated in boardsmanship skills and curriculum issues through attendance at Academy programs.

It is recommended that local school divisions hold a ceremony, perhaps in conjunction with a school board meeting, to honor those who have received VSBA pins and certificates. Acknowledgment in a ceremonial fashion is one small way to show appreciation for a job well done!
