Zoo in such a nice venue,
We are delighted that the Bath
County School System and the
Bath County Public Library are
working together to enhance the
educational opportunities
available to our community
citizens.

With appreciation,
Bonnie Kling
Secretary

Dear Sue,

On behalf of the Friends of
the Bath County Library,
please accept sincere thanks
from our group for providing
the use of the Bath County
High School auditorium for the
program presentations of the
Summer Reading program. We
are so pleased that our local
children can enjoy a play and
then a program from Mill Mountain
