BCHS Parking Lot Engineering Study

BACKGROUND: **Ashton Harrison, County Administrator, contacted me on August 13, 2014, following the Board of Supervisors meeting on August 12. He said that money has been identified to fund BCHS parking lot improvements based upon the receipt of an engineering study and project design. I have confirmed with Mr. Harrison that the cost of the study/design is to be paid from county funds.**

RECOMMENDATION: **Authorization to advertise and acquire proposals to include project description and scope of services (engineering/geotechnical investigation, conceptual design, and cost estimate).**
