# VSBA Capital Conference

## January 26-27, 2015

**Richmond Marriott**  
**500 East Broad Street**  
**Richmond, VA**

The 2015 General Assembly promises to be another challenging session for supporters of public education because of the difficult fiscal climate and the ever-increasing role and expectations of our public schools. Advocacy by local school board members is a year-round job and even more important during the General Assembly.

We will kick-off the two day conference with greetings from Governor Terry McAuliffe and commentary on the "big picture" political scene with Dr. Bob Holsworth, frequent political media analyst. You'll receive an overview of the governor's budget amendments and VSBA's legislative priorities to help prepare you for your legislative meetings on day two. The end of the day will feature a reception that will provide you with an opportunity to mix and mingle with your legislators and top administration officials. Jump start day two with the VSBA breakfast buffet and Dr. Steve Staples, superintendent of public instruction (invited), before walking to the Capitol for personal visits with your legislators.

The VSBA Capital Conference offers you an opportunity before crossover to be seen and heard by your legislators. This "can't miss" conference allows your voice to be heard and continues VSBA's efforts for year-round advocacy. We hope to see you in January!
