SUBJECT: SUPERINTENDENT’S REPORT – PRESENTATIONS / INFORMATION
ProGrass Synthetic Turf Systems – Robert Thomas

BACKGROUND: Robert Thomas, President, has spoken with Mrs. Lowry about making a presentation to the Board regarding possibilities for our athletic fields.

From the ProGrass website (<http://www.prograssturf.com>)

ProGrass Synthetic Turf Systems, headquartered in Pittsburg, Pennsylvania provides the nation’s finest synthetic turf solutions for every level of performance demands. ProGrass is a proven leader in providing synthetic turf customer solutions that include produce development, design build, project management, construction, installation and proactive maintenance.

For over a decade, ProGrass has manufactured and installed over 500 full size fields. Our management team has over 50 years of combined synthetic turf industry experience. Our experience provides the knowledge necessary for a smooth transition from your current athletic field to ProGrass.

The mission of ProGrass is to provide synthetic turf systems that go the distance with advancements in athletic performance.
