BATH COUNTY SCHOOL BOARD

AGENDA ITEM: INFORMATION {   X   }   ACTION {   }   CLOSED MEETING {   }

SUBJECT: **SUPERINTENDENT'S PRESENTATIONS/REPORTS**

                              School Check-In System for Students and Visitors

BACKGROUND: The new school check-in systems for all three schools have been installed and staff training completed. Students who arrive late or leave early from school are beginning to use the computer-based system. The visitor check-in system is in place at BCHS, and should be functional at the elementary schools by December 1. Visitors' driver licenses are scanned as they check-in, and badges are printed with the current date, visitor name & photo, and purpose of the visit. All visitor information is automatically checked against nationwide sex offender registries.

December 1, 2015 - BCHS……………………………………….………....AGENDA ITEM: 15-16: 10.-E.
