**VSBA Webinar Series- Budget and Finance Basics
December 15-16, 2015**

One of the most difficult jobs as a school board member is understanding the school budget process. To help educate school board members in Virginia, the VSBA will be offering a School Budget & Finance webinar series this December. The series will consist of two webinars discussing various areas of school finance. Please see below for more information.

This webinar series provides a convenient alternative for those who cannot or do not want to attend a live seminar. This is a two-part series presented by Leigh Burden, Assistant Superintendent of Budget and Finance, Loudoun County Schools.
