K-3 Class Size

BACKGROUND: The Fall 2015 K-3 Class Size Summary Data is now available, and follows on the attached page. The report considers information available as of October 1, 2015. Both elementary schools have good overall K-3 pupil teacher ratios, and are eligible for state funding awarded for keeping class sizes small. The largest class for VES remains at 14 for both third grade sections; MES kindergarten has grown to 23 students since October 1.
