A. BCHS Band

The BCHS Band traveled to the Blast in the Draft at Stuarts Draft High School on Saturday, September 24. There were 21 bands total and Bath competed in class triple A (AAA). Bath County outscored every band in the competition except the four bands in class quad A (AAAA). In class triple A, we took first place in every category - Drum Major, Percussion, Color Guard, Music, Marching and General Effect. Our Drum Major, Mackenzie Weaver, ranked second place drum major in the entire competition!

The BCHS Band performed for the DDAY Memorial Tournament on September 26, at the Cascades Golf Course and the kids got to meet Frank Beamer! He told them about when he used to play trombone!
