Department of Education**

DATE: January 19, 2018
TO: Division Superintendents
FROM: Steven M. Constantino, Ed.D., Acting Superintendent of Public Instruction
SUBJECT: **Virginia School Principals Appreciation Week January 22-26, 2018**

On behalf of the Virginia Board of Education and the Department of Education, I am pleased to announce that Governor Ralph S. Northam has signed a Certificate of Recognition declaring January 22-26, 2018, as Virginia Principals Appreciation Week. I hope that you and others throughout your community will join me in acknowledging the tireless efforts of our school principals across the Commonwealth.

The role of the principal as the instructional leader of the school is critically important to ensure students are provided the opportunity to learn. Our principals work diligently to help students and teachers excel, and their leadership and hard work are essential to the success of our schools. They deserve all the recognition and praise we can give them.

The full text of the Governor's Certificate of Recognition announcing Principals Appreciation Week is available on [Governor Northam's website](#). I would like to express my appreciation to the Virginia Association of Secondary School Principals (VASSP) and the Virginia Association of Elementary School Principals (VAESP) for their assistance in requesting this Proclamation.

I hope that you and other officials in your division will celebrate Virginia Principals Appreciation Week by planning a special community event or some other appropriate function.

Superintendent's Memo #012-18**COMMONWEALTH of VIRGINIA
Department of Education**

DATE: January 19, 2018
TO: Division Superintendents
FROM: Steven M. Constantino, Ed.D., Acting Superintendent of Public Instruction
SUBJECT: **National School Counseling Week, February 5-9, 2018**

The Virginia Department of Education (VDOE) would like to recognize professional school counselors during the week of February 5-9, 2018, as we celebrate National School Counseling Week. This year's theme, sponsored by the American School Counselor Association (ASCA), is entitled "School Counselors: Helping Students Reach for the Stars," and highlights the tremendous impact school counselors have in helping students achieve school success and plan for a career. To help you promote the week, ASCA has developed many materials and documents, a number of which are free.

School counselors work with all students to remove barriers to learning by addressing academic concerns, social/emotional issues, and career awareness for postsecondary options. Comprehensive and developmental school counseling programs help to increase student achievement and are a vital part of the educational process for all students. Information on school counseling in Virginia can be found on the VDOE School Counseling and Advisement webpage.

School divisions are encouraged to join VDOE in recognizing Virginia school counselors for their dedication to students' educational success. Should you have any questions, contact Joseph Wharff, School Counseling Specialist, Office of Student Services, by email at Joseph.Wharff@doe.virginia.gov, or by telephone at (804) 225-3370.
